Dear Sir:

This is a response to the Notice To File Missing Parts mailed October 20, 2003 (the "Notice"). The Notice requires a filing of an oath or declaration signed by inventor Perry Freeborn.

Applicant requests that this application be accepted without Mr. Freeborn's signed declaration. Enclosed are copies of the undersigned's declaration submitted in support of a petition to accept the '113 application without Mr. Freeborn's signature, together with a copy of the Office's decision granting the petition.

Applicant requests a three month extension of time in which to respond to the Notice. Kindly charge Deposit Account 02-2448 for the \$540 fee (\$65 late fee plus \$475 extension fee), as well as any other fee, incurred by this response.

Respectfully submitted,

OFFICE OF PETITIONS

DECISION GRANTING STATUS
 UNDER 37 CFR 1.47(a)

This is in response to the petition under 37 CFR 1.47(a), filed September 20, 2001.

The petition is GRANTED.

Petitioner has shown that the non-signing inventor has refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the declaration of Robert A. Seldon attest a copy of the application was faxed to the non-signing inventor's representative. Subsequent communication with non-signing inventor's representative indicated the application was received. The non-signing inventor's failure to respond to the application sufficiently establishes that the inventor refuses to execute the application papers.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

Telephone inquiries related to this decision may be directed to Petitions Attorney Charlema R. Grant at (703) 306-0251.
